## Sustainable travelling

**Being a conscientious traveller is one of the tourism industry's future trends. People don't just choose their holiday destination conscientiously, they also want to travel in a more eco-friendly and sustainable way.**

We've also noticed that our passengers – and our employees – are becoming increasingly aware of how they spend their spare time and how it affects the environment and their health. And rightly so! That's why our booking system offers you the option to make your crossing to Vlieland or Terschelling climate-neutral, why we commission new ships that run on the much cleaner LNG fuel, and why we have mounted solar panels on all terminals.

Smoking is prohibited on all our ships, inside the terminals and on the premises, and our buffets and restaurants serve organically grown local products whenever they can. This is how we're making the effort to offer you a sustainable journey.

Do you have any suggestions?  
Please let us know!

Rederij Doeksen wishes you  
a comfortable crossing!

## Parking in Harlingen

Harlingen has several designated parking areas, both covered and open air, some with a shuttle service. During the peak season, around public holidays, and during events, we recommend that you calculate extra travel time for finding a parking spot. Go to [www.rederij-doeksen.nl/en/travelinformation](http://www.rederij-doeksen.nl/en/travelinformation) for more information and an overview of the locations of the parking facilities.

## Facilities

## Food & beverages and shops

All ships (except the fast ferries) include hospitality facilities and shops. Grand Café Promenade (Harlingen terminal) is great for a coffee, lunch, drinks or dinner. With its covered and heated terrace overlooking the Wadden Sea, it's the perfect meeting place! Check out the menu at [www.grandcafepromenade.nl](http://www.grandcafepromenade.nl) (NL) and book your table in advance. Drop by the Parlevinker shop, also in the Harlingen terminal, for fun souvenirs, magazines and convenience travel items.

### Book a climate-neutral crossing

Travel sustainably and make your crossing climate-neutral by paying a voluntary CO<sub>2</sub> surcharge of € 0,50 p.p. during the booking process. Check out [www.rederij-doeksen.nl/en/sustainable](http://www.rederij-doeksen.nl/en/sustainable) for more information about our sustainable core values.

## No-smoking

Smoking is prohibited on all our ships, inside the terminals, and on the premises. This applies to cigarettes, cigars and pipe tobacco, but also to e-cigarettes and 'smoke-free cigarettes'. We have adopted this policy to tie in with the national campaign 'Towards a smoke-free generation', an initiative of the Dutch Heart Foundation, the Dutch Cancer Society KWF, and the Lung Foundation Netherlands. Smoking does not fit in with the healthy lifestyle that Rederij Doeksen wants to promote. It also ensures that no cigarette butts end up in the Wadden Sea, where they would strongly affect the already vulnerable environment.
